The Studio Program and community at McMaster University recognize that we are currently on the traditional territory shared between the Haudenosaunee Confederacy and the Anishnabe nations, which was acknowledged in the Dish with One Spoon wampum belt. That wampum uses the symbolism of a dish to represent the territory, and one spoon to represent that the people are to share the resources of the land and take only what they need. This acknowledgement is one step, of many, toward our reconciliation.
